## **Pallet Cover Sheet**

Continuous rolls provide protection from weather, dust and debris or prying eyes. Ideal for vapor barrier or drop cloth.

## **HDPE/LDPE Apron**

Specially designed for the medical personnel using. The materials offer safety and comfort for doctor and nurse because of softness and waterproof.

## **Carry/ T-shirt Bag**

Carry bag or T-shirt bag are good for shopping, retail stores, and food packaging.

## **Ice Bag**

Super-strong plastic ice bags are made with EVA additives to withstand rough handling and below-freezing temperatures.

## **Garbage Bag**

Convenient to place inside the dustbin. These garbage bags are easy dispose office waste. Trouble-free to use, strong and spacious bags.

## **Heavy Duty Bag**

Strong enough to dispose construction waste. Tear and puncture resistance.

## **Builder Film**

Builder film are to prevent moisture from seeping into the ground during a construction project. They are designed to give permanent moisture protection against ground water penetration into concrete slabs.

## **Produce Bag**

Can be used for packing of garments, foods, fruits, shoes, etc.

## **Produce Tubing**

Continuous rolls of LDPE/ HDPE provide protection from weather. It also can be used for wrapping machines and packaging.

## **Carton Liner**

Strong plastic liners mostly used for lining inside cartons and often for use in the food industry. They can be made in clear/ coloured and can be vented/ non-vented.

## Biohazard Bag

Are made to be puncture and abrasion resistant to ensure its contents are store and transported safely.

## Perforated Bag

Can be used as tote lines or pallet cover and suitable for a wide range of industries such as manufacturing, agriculture, medical and etc.

## Stand-Up Bag

Can be used for packing of food, fruits, and etc.

## Asbestos Bag

Asbestos waste must be packed in UN approved packaging with a CDG hazard sign and asbestos code information visible. Doublewrap and label asbestos waste. Standard practice is to use a red inner bag with asbestos warnings, and a clear outer bag with the CDG sign.
